

Julianne Callaway ASA, ACAS, MAAA

Julianne Callaway is an Assistant Actuary, working in Global Research and Development, at RGA Reinsurance Company. She is a member of both the Society of Actuaries and the Casualty Actuarial Society, specializing in General Insurance risks. After spending more than a decade working in the Property/Casualty insurance industry, she is now a research actuary at RGA. Julianne has B.S. and M.A. degrees in

economics from the University of Missouri and has experience in financial research. Her previous research has included work in the Economics of Education, tort cost trends, and the study of corporate and insurer asbestos liabilities. Additionally, she has experience with pricing, loss reserving and predictive modeling for commercial and personal lines of insurance. Julianne is also a member of the St. Louis area United Way Young Leadership Society Cabinet and a past president of the St. Louis Actuaries Club.
