

Nancy, a Missouri native, is a 1971 graduate of Mizzou with a major in Economics and a minor in math and statistics. She credits her choice of majors to Professor Kuhlman's Econ 51 course! After a brief stint in a government grant program, she returned to MU to earn her Masters in Social Work. She found she indirectly used both degrees in her government career - in court administration for 15 years in the 13th Judicial Circuit, Boone and Callaway Counties, here in central Missouri and then 20 years in state court administration ultimately as a Division Director with the Missouri Office of the State Courts Administrator. She and her husband Dave founded Dave Griggs Flooring America in 1975. Happily retired since 2011, Nancy loves to volunteer for the Missouri Symphony Society and she and Dave enjoy entertaining at their cabin at the Lake of the Ozarks, attending MU sports events, seeing live music and theater performances and traveling the world. She served on the College of Human and Environmental Sciences For All We Call Mizzou campaign committee and she and Dave are proud to be able to give back to Mizzou in thanks for a wonderful education.
