CONSULTING PROJECTS

I served on the non-partisan Bauer-Ginsberg campaign finance task force from 2015-2017. In 2013, I served as a member of the research staff for the Presidential Commission on Election Administration; prior to that I was a member of the joint Bipartisan Center and Campaign Finance Institute working group on campaign finance reform.

I have also served as an expert in several state and federal election-related disputes, including cases in Colorado, Missouri, New Hampshire, New Jersey, New Mexico, Texas, and Washington, DC; I have also provided expert testimony on election administration to Congress.

Other consulting projects include: i) cross-ownership of broadcast television stations and local newspapers (for the Federal Communication Commission); ii) medical case management workers in migrant farming communities (Legal Aid of Western Missouri), iii) internet assisted learning (University of Missouri), and iv) the economic effects of state alcohol regulations.
